If you would like to receive details of Congress 2016 please complete our [Expression of Interest](#) form and we will forward information as it becomes available.

Blossom

Hand drawn cherry blossom tree with swallow birds, colored in with oil pastel pencils, with a famous quote on it - "Life without love is like a tree without blossoms or fruit.." by Kahlil Gibran. I chose to draw the blossom tree after making up a mood board, I made my mood board up with pictures of different types of flowers and trees

Inspired

Sun flower drawing shaded in with chalk, a design inspired by a drawing technique shown to me by my tutor and i wanted to give it a shot. The sunflower is hand drawn and then i used green and yellow chalk to shade in the flowers and a liac round the outside to make them stand out more.

Arc

A dusk picture of Glasgow's Clyde Arc but also known as the Squinty Bridge by locals of the Glasgow area. I chose this picture of Glasgow as it is one of my favourite pictures of Glasgow and I chose the word believe because I believe in Glasgow and in palliative care to help make the lives of people in need better.
