EXHIBITION PACKAGES

The exhibition space will be designed with our exhibitors in mind and we will provide our exhibition floor plan as soon as it becomes available.

Our aim is always to maximise quality engagement opportunities for our delegates, sponsors, and exhibitors alike and, having listened to feedback from previous years, the exhibition is more relaxed, allowing attending exhibitors more time with our audience during refreshment breaks and lunch times.

Once again, the Organising Committee is allowing 8 hours of networking and poster viewing time throughout the two days. They are acutely aware how important this is to delegates and exhibitors alike.
